Miss Roman

welcome

Welcome to Fifth Grade at Millstone River School! I am so excited to work with you this year. In the months ahead, we will embark on an amazing journey together - you will grow tremendously, not only academically, but also socially and intrinsically. I look forward to getting to know you better!

a little about me

I have always known I wanted to be a teacher and have worked tirelessly to gain the knowledge and experience necessary to achieve this dream. This year marks my fourth year in education and second year in West Windsor-Plainsboro School District. I have obtained my bachelor degrees in both elementary education, as well as history. Recently, I received my master's degree in Reading and Literacy Specialist from Fairleigh Dickinson University. When I am not teaching you can find me at the yoga studio or walking my dog, Duke!
